

300 Cable Machine

When a challenging job puts you in a tough spot, you can count on the 300 Cable Machine to get you out. With a compact design that makes it perfect for tight spaces and narrow doorways, the 300 touts exclusive features like our patented Dial-A-Cable power feed that automatically sends cable in and out of the line, and our whisper-quiet Permanent Magnet motor for quicker torque and longer life. Plus, its powerful, gear-reduced motor with slip clutch and 107 feet of cable capacity mean that getting a compact machine doesn't mean you have to give up power.

Optional toolbox.

Optional compact lift for easy loading into vans and trucks.

Optional hoist bracket for use with winches.

Optional pneumatic tire kit.
